- Promotes **wellbeing, friendships and communication**
- **Adapts** to changing needs
- Creates **unique opportunities**
- Can help **improve attendance**
- **Flexible use** - can link it to curriculum!

### BENEFITS

- **No planning required**
- **No time constraints**
- **Whole-school impact** when fully used
- **Personalised support** from The Key
- **Flexible timing** (break, lunch, afterschool, form)

## THE KEY+ CHALLENGE

The KEY+ Challenge brings young people together in small groups and, with the support from The Key and a KEY+ Facilitator (trained deliverer), they're set the challenge to:

1. **Think** of a project or activity
2. **Plan** what is needed for that project including a budget
3. **Pitch** their project to a panel of volunteers
4. **Do** their project if given the go ahead by the panel
5. **Review** and reflect on their project, learning, and development

A North East charity empowering young people, especially those growing up in poverty, to unlock their potential.

## QUOTES FROM FACILITATORS

"Nola has made it into school every Thursday since starting this group"

**"We don't need to see statistics - the young people's stories speak for themselves."**

"I love seeing their sense of achievement."

"Headteachers can SEE the benefit in young people - there are changes in behaviour and it gives the opportunity for young people to build more positive relationships around school with adults."

**"I LOVE it [...] you see such a change in the young people."**

"M struggled to find friends... and was often emotional and crying. Since M started [KEY+] he has had a smile on his face and has managed to make friends. [He] seems so much more brighter and confident."
