

## Think - What's your project idea?

Now, think about what you'd like to do for your project. Come up with five ideas, and then, as a team, decide which idea you're going to do for your project.

### SKILLS YOU MIGHT USE

**Our final idea is...**

## Think - What's your project idea?

Now you have decided on your idea, it's time to break down your project and explain it in detail.

### SKILLS YOU MIGHT USE

**What is of your project aiming to address and why is this important to you?**

**What will your project involve? What will you be doing?**

**What skills will you be using and how?**

**How will you know if it has been successful? How will you measure the difference it has made?**

**Will your project benefit people outside of the group? If yes, how many people will benefit and how?**

**When will you DO your project?**

**TOTAL**

## PITCH - Notes

### SKILLS YOU MIGHT USE

**Introduce and tell us  
about yourself**

**How did your group first form?**

**Describe your project.  
Why you want to do it?**

**Explain your budget**

**What skills will you use to deliver your project?**

**How will you know your project has made a difference?**

**TOP TIP:** Use the answers to these questions to ensure you have everything in your pitch.
