

# THE CLIMATE NEEDS YOU!

ADVOCACY  
ACADEMY

**NYA**  
National Youth Agency

EXPLORE – LEARN – CONNECT

## Who are we looking for?

We're looking for 30 young people between the ages of 16 - 30 with a passion for climate action to join our Routes to Rise Programme. The National Youth Agency are delivering in partnership with:

- The Advocacy Academy
- Football Beyond Borders
- Integrate UK
- Friends of the Earth

## Whats the Role?

The role is voluntary and includes taking part in a summer camp with 100 other young people for a week of climate action activities.

As well as the summer camp you will be expected to attend two online sessions to prepare ahead of the Summer camp.

## Whats in it for me?

As a participant you will:

- Develop organising, campaigning, and leadership skills
- Build strong community ties and a sense of belonging
- Gain hands-on experience shaping and delivering climate campaigns
- Contribute to meaningful climate outcomes local to you
- Experience what it feels like to **win change**

## Want to get involved?

If you're interested in getting involved in this opportunity, please fill in this form: [Sign up form](#) and let us know why climate action is important to you!

**Please note that this opportunity is open for young people in the North East and South East only.**
